Collection for Homeless Veterans a Success

Over \$3,000 worth of clothing, toiletries and gift cards were recently collected by the Volunteer Center of Bergen County, to be distributed to area homeless veterans. The collection was part of a national campaign associated with the Martin Luther King Day of Service to assist veterans, and was the single largest donation of goods ever received by the Bergen County Veterans Service. Since 1993, tens of thousands of dollars in clothing has been given to homeless veterans. To make a donation, call 201-336-6325
